Report on the financial statements

We have audited the financial statements of Hong Kong Seeing Eye Dog Services Limited (the "Company") set out on pages 3 to 6, which comprise the balance sheet as at 31 December 2016, and the income and expenditure account for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Directors' responsibility for the financial statements

The directors of the Company are responsible for the preparation and presentation of these financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (SME-FRS) issued by the Hong Kong Institute of Certified Public Accountants. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In addition, section 141D of the Hong Kong Companies Ordinance requires that the balance sheet together with the notes thereon should be prepared in accordance with the requirements of the Eleventh Schedule to that Ordinance.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of the report.

We conducted our audit in accordance with Hong Kong Standards on Auditing and with reference to PN 900 (Revised) "Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard" issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

Auditor's responsibility (Continued)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the SME-FRS. In addition, in our opinion the balance sheet together with the notes thereon is properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs as at 31 December 2016 according to the best of our information and explanations given to us, and as shown by the books of the Company.

Report on other matters under section 141D of the Hong Kong Companies Ordinance

We report that we have obtained all the information and explanations, which we have required.
